

PANEL SESSION :

Title: "Future-Proofing Power Control Centers: A Cross-Sectoral View"

Panelists: Experts from TSO, DSO, RCC, Aggregator, and RES Operators

SUBMISSION TIMELINE:

Abstract submission deadline: April 10, 2026

Notification of abstract acceptance: April 15, 2026

Full paper submission deadline: April 30, 2026

Notification of full paper acceptance: May 20, 2026

Final paper submission: June 5, 2026

Conference dates: June 22–23, 2026

CONTACT INFORMATION:

All correspondence regarding **abstracts, full paper submissions, and questions related to the panel session** should be directed to:

18TH DEMSEE ANNUAL CONGRESS

DEREGULATED ELECTRICITY MARKET
ISSUES IN SOUTH-EASTERN EUROPE

Dates: June 22–23, 2026

Venue: Belgrade, Serbia (Exact location to be confirmed)

DEMSEE continues to be the leading regional platform for experts, professionals, and scholars from South-Eastern Europe and beyond, offering the opportunity to present their work, share experiences, and initiate collaborations in the evolving field of electric power systems.

Key Topics:

- Coordination of TSO, DSO, and RCC Operations
- Strategies and Technologies for Blackout Prevention
- RES Integration and Smart Grid Evolution
- Digital Transformation in Power Systems: Digital Twins, AI, and Edge Computing
- Network Codes, Directives, and Policy Frameworks
- Electricity Markets and Power Exchanges
- Electrical Engineering Education for Emerging System Needs
- Advanced Digitalization and Flexibility Solutions to Meet the Growing Demand for Clean Electricity
- Case Studies and Regional Energy Projects in South-East Europe (SEE)

Founder: Professor Thales M. PAPAZOGLU, PhD

Chairman: Igor Bundalo

Vice-Chairman: mr Goran Jakupović

Steering Council:
